BA 210 Internship

Internship Information and Registration Form

An internship represents an opportunity for a student to enhance their university training by gaining practical experience, related to a student's particular specialty area, through exposure to practice situations and managerial decisions.

Guidelines for Academic Credit

Eligibility: Students with less than 90 credits

Nature of qualifying work: The work experience must be related to the student's major in the College of Business. Moreover, the work experience shall be equivalent to the type(s) of entry-level, professional work relevant to an Oregon State University graduate. There is a presumption that the student will have completed a sufficient amount of upper-division coursework upon which the internship is based.

Supervision: The work of the intern shall be supervised by a worksite professional. The level of supervision should correlate to the nature of the work and the experience of the intern. Coursework shall be overseen by a COB instructional faculty member.

Academic Credits:

- We recommend that you meet with an advisor to determine if you would benefit from getting academic credit for your internship.
- The number of equivalent academic credits earned will be determined by the COB faculty supervisor (see chart on pg 2).
- A maximum of 6 credits can be earned per term. The courses may be repeated to a maximum of 16 credits.
- BA 210 is offered on a P/N grading basis only.

Timing: Retroactive approval or credit for previous work will *not* be granted. All arrangements must be finalized prior to the start of the internship. The student must register in the term in which the internship actually occurs. *Please submit the form at least one week prior to the start of the term to ensure adequate time for approval and registration.*

Summer term: If you are interested in registering for an internship after summer term has started, requests must be approved prior to the start of the next session and prior to the start date/hours of the internship. For dates, visit summer.oregonstate.edu
